MEMORANDUM FOR DINING FACILITY PATRONS

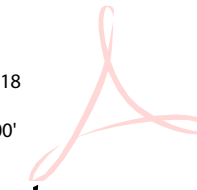

FROM: 412 FSS/FSV

SUBJECT: CARRY OUT/GROUND MEAL POLICY

1. ESM personnel are authorized a maximum of three separate meals per day:
 - a. Meals signed for/scanned for during meal periods are considered a separate meal and count toward the three meal per day maximum.
 - b. Seconds signed for/scanned for during the meal period do not count as a separate meal.
2. Carry out and ground meal policy:
 - a. Carryout service for meals is limited to members in uniform (to include clean official physical training uniform) and emergency personnel/first responders on duty to reduce disposable container expenses. Patrons dining in civilian attire or off duty will not be provided carryout containers and must dine at the dining facility.
 - b. Patrons are not authorized to use personal carryout containers to be served from the food lines and all non-carryout customers will be served using dining facility provided containers (plates, bowls, etc.) only.
 - c. All carry out and ground meals will be no more than 1 main container, 1 salad and 1 fruit container, 4 cups and plastic utensils per person. All chinaware must be transferred to a carry out container, i.e. fruit bowls, cold plates, etc.
 - d. When ordering carry out/ground meals the member placing the order must bring in a signed order form consisting of all individuals' names, organization, DOD ID number and specified food order(s). Only one carry out meal per person is authorized.
 - e. When ordering ground meals, two hours advance notice must be given. Completed forms and money collected for non-ESM meals must be provided to the dining facility prior to accepting the meals.
3. Please direct questions to Mr. Chris Kruszynski, Food Service Officer at DSN: 661-275-621.
